Las Haciendas News Blast

"The month of August had turned into a griddle where the days just lay there and sizzled."
Sue Monk Kid

POTHOLE REPAIR

Potholes on Bloomfield will be repaired. Resurfacing of the rest of the community will be put on hold due to the dramatic increase in petroleum-based products.

WEEDS

Please help us to get the City of Phoenix moving on the weed removal on City property alongside our development. Please send an e-mail to dispatch@phoenix.gov to please remind them that work request 22-007515 was created to remove the weeds and to date has not been done.

WATER CONSERVATION TIPS

Water is precious - we need to conserved wherever possible. Hint: catch water in a bucket from your a/c drain pipe. I collect 6-9+ gallons a day for use in my (potted) plants.
