# Las Haciendas News Blast

**From President Dean Brekke:**

**Road Resurfacing:** We are getting ready to seal the streets in Las Haciendas. It will be over 3 days May 30, 31 and June 1. Watch for the maps showing what will go first. You will not want to leave your car on the street--it WILL be towed. You will want to find a parking spot on another street, because the wet sealer will take a day to dry. The company will block access to the streets until they are dry. You will not be able to leave your garage or driveway. If you drive on the wet street, be prepared to have black tar on your car! The first area to be done will be Columbine and Bloomfield and that part of Charter Oak connecting them. We will have flyers put around and emailed. We do not want anyone towed so if you see neighbors, make sure they are aware.

The street project MAY affect the bulk trash pickup, depending on the day the trucks come in. If they miss the pickup, please do not leave your bulk trash out.

Next HOA Board meeting:  
Thursday, June 15 at 6 P.M.  
Via Zoom

**A request from your resident sign-hanger:**  
Your announcements are important on the cork boards, but please try to leave as much space as you can for others, and remove in a timely matter. Thank you.
