FROM THE HOA MEETING:

*Summary of the 5-year strategic financial planning committee: The committee incorporated maintenance and flexibility of both short-and long-termed projects. The plan will be available to everyone after it is passed by the board. The board would like to thank the 5-year planning Committee: Rhonda Eklund, Sue Maroney, Sue Mcleod and Peter Marshall for all their time and hard work.

*President Brekke has completed the land transfer.

CITY OF PHOENIX BULK TRASH PICK-UP:

Week of August 28th.

WATER REMINDER:

- *Conserve everywhere you can, please.
- *Don't forget to catch the condensation water from your air conditioner, especially in this humid weather. (We are collecting about 5 gallons of water a day which we used to water our potted plants).
- *Use your dishwasher - You use up to 27 gallons of water per load by hand versus as little as 3 gallons with an ENERGY STAR-rated dishwasher. And just scrape off the food scraps instead of rinsing each dish before you load it.
