Volume 3 Number 5  
March-April 2024

## FROM THE BOARD MEETING:

**PLEASE...** Do not overnight park on the streets, which is against our rules and can impede emergency vehicle access.

- The Annual Yard sale went really well! A reminder - NO private yard sales.
- There will be 3 chairs bought for the 2 pools. The gates (repair, replacement?) are being investigated and priced.
- Adopt-A-Street is moving ahead with our first day of clean-up of 42<sup>nd</sup> street scheduled for Thursday, April 11th at 9:30. Originally the section of 42<sup>nd</sup> Street was not part of the program. Dean was able to convince the CoP that with the "Cool Corridor" program and 100 trees on that section of 42<sup>nd</sup> Street, should be part of the program. And, it now is ours to clean! Yeah Dean!
- The Little Library book sharing kiosk is now set up behind the mail boxes at Bloomfield and 42<sup>nd</sup> Place. Please drop off a few books to share.
- The Board approved the Landscaping Committee's comprehensive program of new tree and bush plantings.
- The Board has tallied 91 of the 111 votes needed to amend the CCR voting requirements. Canvassing continues - Please send your vote into Elan if you have not to date.
- The long-term plans to restore the sidewalks and the year 2026 street repaving were discussed and are being studied.
- The Post Office carriers are often putting mail in the incorrect boxes. If you receive incorrect mail, please be a good neighbor and walk the mail over to the proper person - some of the missing mail is very important. The issue is a lack of a permanent carrier for us. I would invite others who are experiencing the same issue to contact the post office to lodge a complaint.

**President** Peter Marshall  
**Vice-President** Dean Brekke  
**Secretary** Sue Maroney  
**Treasurer** Allison Collins  
**Member-at-Large** Charles Han
