POOL HEATING:

- The HOA Board has looked at this year and voted (4-1) to extend the pool season by turning on the south Pool on April 1st. Fall date will be announced at a later time.

PHOENIX WATER RATES:

- Water rates are increasing. We ask that you conserve water where-ever possible.

FROM THE PRESIDENT:

- Our main goal for the year expenditures will be focusing on saving for the road repairs.

From Dean Brekke:

- It is time to do another pickup along 42nd street. We will clean on Saturday, January 18th at 8:30 a.m. As always, be sure to have gloves. It is also handy to bring a 5-gallon bucket to put things in. The city will furnish the safety vests and big trash bags. If you have young folks, bring them along-they can bend over easier + many school kids need some volunteer hours! Please let me know if you can attend.
